

ARTICLE 24

Article 24: NH Climate Change Resolution (By Petition)

Shall the Town go on record in support of effective actions by climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Amherst.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.

2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the town of Amherst encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices.

ARTICLE 25

Article 25: Discontinuation of a Portion of North Street (By Petition)

Shall the Town discontinue a portion of the Class VI section of North Street starting at Lyndeborough Road and continuing south for 2510 feet (+/-).
